

**Federal Financial Participation
Local Government Matching Funds: Non-Federal Source**

Local matching funds:

Local governments may provide qualifying non-federal public funds to expend to qualify for Title XIX reimbursement (i.e. State/county/city funds) as described in 42 Code of Federal Regulations, Section 433.51 (see excerpt below).

§433.51 Public funds as the State share of financial participation.

(a) Public funds may be considered as the State's share in claiming FFP if they meet the conditions specified in paragraphs (b) and (c) of this section.

(b) The public funds are appropriated directly to the State or local Medicaid agency, or transferred from other public agencies (including Indian tribes) to the State or local agency and under its administrative control, or certified by the contributing public agency as representing expenditures eligible for FFP under this section.

(c) The public funds are not Federal funds, or are Federal funds authorized by Federal law to be used to match other Federal funds.

[57 FR 55138, Nov. 24, 1992; 58 FR 6095, Jan. 26, 1993]

Private funds cannot be used to qualify for Title XIX reimbursement.

For those grantees that have State/city/county matching funds available, please submit the following information by December 15, 2006 that details the incoming funds that are planned to be obligated to each of your grants as follows:

Male Involvement Program	Specify State/City/County Fund Source	Amount	Funding Period
			1/1/07-6/30/07
